**Education:** University of Erlangen & Nürnberg (Germany), 1971-1978

Major Field: Mathematics  
Minor Fields: Physics, Law

Degrees: Diplom-Mathematiker, 1976  
Dr. rer. nat., 1978

## **Honors:**

- Mercator Research Professorship of the German Science Foundation (DFG), University of Heidelberg, March-July 2003, June-July 2004.
- Bargaining, Evolution and Networks : A Conference in Honor of Hans Haller, LSU, February 25 - 26, 2011.
- Bargaining, Evolution and Networks: Special Issue in Honor of Hans Haller, *Mathematical Social Sciences*, Volume 64, Issue 2, September 2012.
- Research Associate, Center for Economic Research at ETH Zurich (CER-ETH), current.

## **Employment:**

### CURRENT EMPLOYMENT

1986-1992 Assistant Professor of Economics, VPI & SU.  
1992-1997 Associate Professor of Economics, VPI & SU.  
1997-Present Professor of Economics, VPI & SU.

### OTHER OCCUPATIONS

1979 Visiting Assistant, Department of Mathematics, University of Nice (France).  
1979-80 Research Fellow, Department of Mathematics, University of Rennes (France).  
1980-84 Research Staff, Department of Economics, University of Bonn (Germany).  
1982-83 Visiting Scholar, Department of Economics, Harvard University (Cambridge, MA).  
1984-85 Assistant, Department of Economics, University of Mannheim (Germany).  
Fall 1985 Research Staff, Department of Economics, University of Bonn (Germany).  
Fall 1990 Research Fellow, CentER at Tilburg University (Netherlands).  
Fall 1994 Visiting Professor, Institute for Advanced Studies (Vienna, Austria).  
Spring 1995 Senior Research Fellow, CentER at Tilburg University (Netherlands).  
Fall 2002 Visiting Professor, Institute of Economics, University of Copenhagen (Denmark).  
Winter 2003 Visiting Professor, Institute for Advanced Studies (Vienna, Austria).  
Summer 2003 Mercator Professor, Alfred-Weber-Institut, University of Heidelberg (Germany).  
2011-12 Guest Professor, ETH Zurich (Switzerland).  
Fall 2015 Guest Professor, ETH Zurich (Switzerland).

## Experience and Expertise:

Research Interests:	Microeconomic Theory, Allocation under Uncertainty, Game and Bargaining Theory.
Graduate Advising:	55 Internal Doctoral Dissertation Committees (13 Chairs, 11 Co-Chairs), 4 External Doctoral Dissertation Committees
Graduate Teaching:	Mathematics for Economists, Game Theory, Microeconomic Theory, Industrial Organization.
Undergrad Teaching:	Mathematics for Economists, Game Theory, Intermediate Microeconomics, Principles of Microeconomics, Managerial Economics, Financial Markets, Welfare Economics, Information and Incentives, Economics of Organizations, History of Economic Thought, European Economies, Comparative Economic Systems.
Administration:	Director of Graduate Studies, 1993-1994; Department Head, 2007-2011.
Languages:	German (native), English (fluent), Latin, French, Russian (some).
